It was a 6 plate, hybrid. For the voucher I drove my personal vehicle 97 miles each way.

Thank you Ed, I'm still under the weather a bit but better than the past 4days. For your state vehicle trip, do you know which vehicle you drove? I will know the plate if you know the make and model of the vehicle. If it was one of the hybrids, were the windows tinted? Also, how long of a trip was it to and from Pontiac?

I hope you are feeling better.

I wanted to touch base re: travel I did over weekend. I worked on Saturday April 2, 2011. My work had me drive to and from Pontiac Illinois. That is 97 miles door to door. I drove my vehicle to Pontiac, acquired a State Vehicle drove the Treasurer and myself to an event at the Chicago Hilton towers, then drove State car back to Pontiac and took my vehicle back home. We used car ride as opportunity to work out details of community affairs.

Other information, travel back and forth with my car was 97 miles each way. I left at 4 AM and left to return home at end of day at 4PM. I am not requesting a per diem. I spent \$20.00 parking at Chicago Hilton Towers, I paid cash and can not find receipt. If I can only get \$10.00 back because of that is ok.

Please advise.
